

REMARKS

No new matter is added by the present amendment, as the sole change to the application is the introduction of a section acknowledging U.S. Government rights in the subject invention. The first paragraph of the new section is added pursuant to Section 310 of the Manual of Patent Examining Procedure, and the second paragraph is stipulated by the referenced agreement.

If the Examiner has any questions concerning this communication, or would like to discuss the application, the art, or other pertinent matters, please contact the undersigned attorney at (650) 330-0900.

Respectfully submitted,

By:

APPENDIX A - AMENDMENTS

Please add the following new section to the first page of the specification prior to paragraph [0001]:

Acknowledgement of Government Rights

The U.S. Government has a paid-up license in this invention and the right in limited circumstances to require the patent owner to license others on reasonable terms as provided for by the terms of Cooperative Agreement No. 70NANB8H4013 awarded by NIST (Advanced Technology Program).

This invention was made with United States Government support under the above-referenced Cooperative Agreement awarded by NIST. The United States Government has certain rights in the invention.
